

INNOVATION

THE AIT (auxiliary injection tubing) DOWNHOLE CHEMICAL INJECTION LINE

LOW TEMPERATURE SERVICE (<100°C)

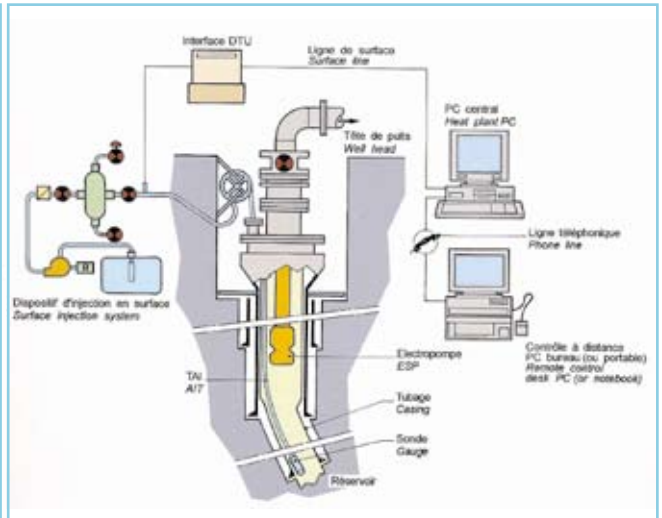

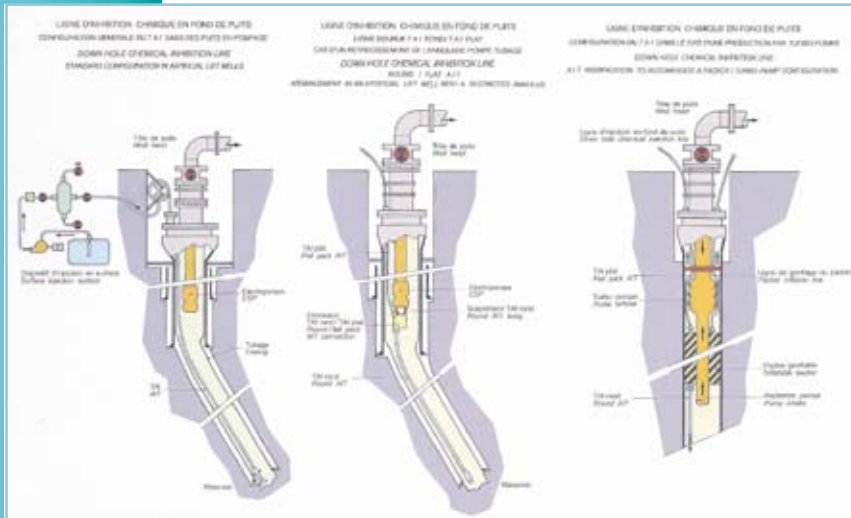

HIGH TEMPERATURE SERVICE (>100°C)

	ID (mm)	OD (mm)	Material	ID (mm)	OD (mm)	Material	ID (mm)	OD (mm)	Material
Core injection tubing	6	8	SS	6	8	SS	4	6	SS, INCONEL
Internal encapsulation	8	10	PAII	8	10	PAII	6	8	PPS
Intermediate encapsulation					28	PP			
Outer encapsulation		25	PP	28	32	PA6/PP/EPDM		15	PPS

● Artificial lift wells

● Combined chemical injection/control line set up

● Wellhead fittings (stuffing box and rea)

● Downhole fitting-fluid difuser

● Field installation with coiled tubing unit
